

# The Great Amen

by Jerry W. Petermann, 2011

I do not know  
the words to say,  
to ask the Lord  
while I pray.....

But hear me now  
while I begin,  
to praise you Lord  
with Amen...  
to praise you Lord  
with The Great Amen.

The Shadows walk  
across our land,  
soldiers march,  
You are banned...

The Rights You gave us  
now are gone,  
'cause the beer was cold  
and the game was on....

While our young die  
in wars immoral,  
foreign troops are trained  
on our native soil....

I do not know  
the words to say,  
to ask the Lord  
while I pray...

But, hear me now  
while I begin  
to praise You Lord  
with The Great Amen...  
to praise You Lord  
with The Great Amen.

They lie to us  
as towers fall,  
they steal our money  
and they call....

For a "War on Terror"  
to never end,  
a war they say  
we'll never win...

While clouding or skies  
with their ChemTrail mix,  
they play their HAARP  
and our lives they risk...

I do not know  
they words to say,  
to ask the Lord  
while I pray....

But, hear me now  
while I begin  
to praise You  
with The Great Amen,  
to praise You  
with The Great Amen.

Abraham left his home  
on Your command,  
and settled in  
the Promised Land...

While Moses rose  
when You asked,  
though he said he wasn't  
up to the task....

And, later when you sent  
Your Own Son to die,  
to save mankind  
he gave it a try...

But, jealous men  
with coins and chide,  
**SOLD HIM OUT**  
**THE CRUCIFIED!!!**

I do not know  
the words to say,  
to ask You Lord  
while I pray...

But, hear me now  
as I begin,  
to praise You Lord  
with The Great Amen...  
to Praise You Lord  
with The Great Amen.

Now, we're the enemies  
of the State,  
who You Our God  
and their tyranny hate...

Together raise  
our voices high....  
in one tumultuous cry!!!

For we are far  
from our homes,  
where Bad is Good  
and Evil roams...

Lord give us strength  
to rise ---awake!  
to take back this land  
for Your sake!!!

Though in the past  
you were ignored...  
once again for You Lord!

Now, You've given me  
the words to say,  
to take with you  
while I pray...

So, hear me now  
as I begin,  
to praise You Lord  
with The Great Amen!!!

To praise You Lord  
with "*The Great Amen*"...

Alleluia Lord, Alleluia  
*Amen.....*
